Legal Notice

The views, opinions and recommendations expressed in CDAP's 2004 Report are solely those of CDAP alone and are not necessarily shared by BP or its partners in the Baku-Ceyhan-Tbilisi and Southern Caspian Pipeline projects.

The Caspian Development Advisory Panel (CDAP) hereby grants permission to access, download, and reproduce the 2004 Report (the "Report") appearing on this web site for personal, non-commercial use only, provided that materials shall retain all copyright and proprietary notices contained herein. Commercial publication, hiring, lending, and reproduction of the Report are strictly prohibited and constitute a breach of copyright. Any rights not expressly granted herein are reserved.
