

# CASPIAN DEVELOPMENT ADVISORY PANEL

[Home](#)

As part of its mandate to study the impact of the BTC pipeline and related BP-led investments in the Caspian region, the Caspian Development Advisory Panel (CDAP) has begun preparations for its site visit to Turkey, now scheduled for early September 2003. This stage of the Panel's first visit to the region was postponed due to the outbreak of war in Iraq. The Panel requests input from all interested parties about the individuals and organizations with which it should consider meeting during its Turkey visit. The Panel made a similar request in advance of its trip to Azerbaijan and Georgia earlier this year and benefited greatly from the many suggestions that were provided.

All submissions should be sent to CDAP via e-mail at [CDAP@caspssea.com](mailto:CDAP@caspssea.com) or addressed to: Caspian Development Advisory Panel Secretariat, c/o Covington & Burling, Attention: Mr. Peter Flanagan, 1201 Pennsylvania Avenue, NW, Washington, DC 20004-2041, USA. CDAP thanks you for your time and consideration of this request and looks forward to receiving your input.
