

# **CASPIAN DEVELOPMENT ADVISORY PANEL**

As part of its three-year mandate to study the impact of the BTC pipeline and related BP-led investments in the Caspian region, the Caspian Development Advisory Panel (CDAP) has begun preparations for its second site visit to Azerbaijan, Georgia, and Turkey, scheduled for late October 2004. The Panel requests input from all interested parties about the individuals and organizations with which it should consider meeting during its visit to the region. The Panel made a similar request last year in advance of its trip to the region and benefited greatly from the many suggestions that were provided.

All submissions should be sent to CDAP via e-mail at [CDAP@caspsea.com](mailto:CDAP@caspsea.com) or addressed to Caspian Development Advisory Panel Secretariat, c/o Covington & Burling, Attention: Mr. Peter Flanagan, 1201 Pennsylvania Avenue, N.W., Washington, DC 20004-2041, USA. CDAP thanks you for your time and consideration of this request and looks forward to receiving your input.
